## Recommended Cleaning Instructions for Cork Leather

The best way to keep Cork Leather looking great is through proper maintenance and regular cleaning to prevent excessive dirt from accumulating. To help keep your quality cork leather looking its best, we recommend that you do the following to extend the life of the cork leather:

- Wipe up spills and smudges of dirt as soon as they occur
- Clean with soap and water/ Apply a light solution of water and mild soap using a soft cloth. Do not scrub with a hard brush. Move this cleaning action from seam to seam.
- For stubborn stains such as ink, blot with isopropyl alcohol as soon as possible.
- Thoroughly rinse all solution residue with clean water.
- Air dry.

This information is not a guarantee. Please use all cleaning agents safely and as instructed. The use of other cleaning agents, disinfectants, conditioners or protectants is not recommended as they can degrade fabric's performance.
