PORTUGALIACORK

Cork fabrics

Our fabrics are suitable to be used in a wide range of industries such as Fashion and Accessories, Furniture upholstery, Interior Design, Footwear, Clothing, Vehicle (cars, boats, planes, etc.) Interior Upholstery and Design... With a permanent R&D investment we offer the highest quality and the largest range of cork

fabrics in the market (more than 1000 references available).

In addition, our bespoke department offers the possibility to develop and produce functional fabrics, exclusive designs, colors, printings, embossing, and other specialty fabrics.

Eco-friendly, ecological and sustainable, our fabrics are compliant with REACH regulations.

Cork fabric types

Fabric type	Characteristic	Backing composition	Thickness
